

From Data to Strategy

CUSTOMER SEGMENTATION & COMMUNICATION RECOMMENDATIONS

VALUE IS CONCENTRATED... AND PREDICTABLE

2,240 customers · 2 years of purchase data · 6 product categories · 4 channels

INCOME IS THE STRONGEST DRIVER

High-income customers spend over 13× more than low-income ones (€1,256 vs €95)

OMNICHANNEL = HIGHER VALUE

Customers using all four channels spend substantially more (avg. €782) than customers using fewer channels

HOUSEHOLD COMPOSITION MATTERS

Child-free customers outspend families by 2–3×, especially in Wines & Meat

EDUCATION SIGNALS PREFERENCE

Customers with university-level education consistently show higher spending levels

Highest-value customer archetype: High-Income Childless Spender (€1,233 avg. spend)

WHERE VALUE IS LEAKING

SLEEPING GIANTS

16.5% of customers, avg. spend €1,253. High-value customers who have become inactive. Same profile as active top spenders, only difference is recency.

Personalised reactivation:
Wines & Meat focus

CAMPAIGN OPPORTUNITY

Top spenders are nearly twice as likely to engage with campaigns (52% vs 27%). Campaign responsiveness increases with customer value.

Tailor campaigns to customer value

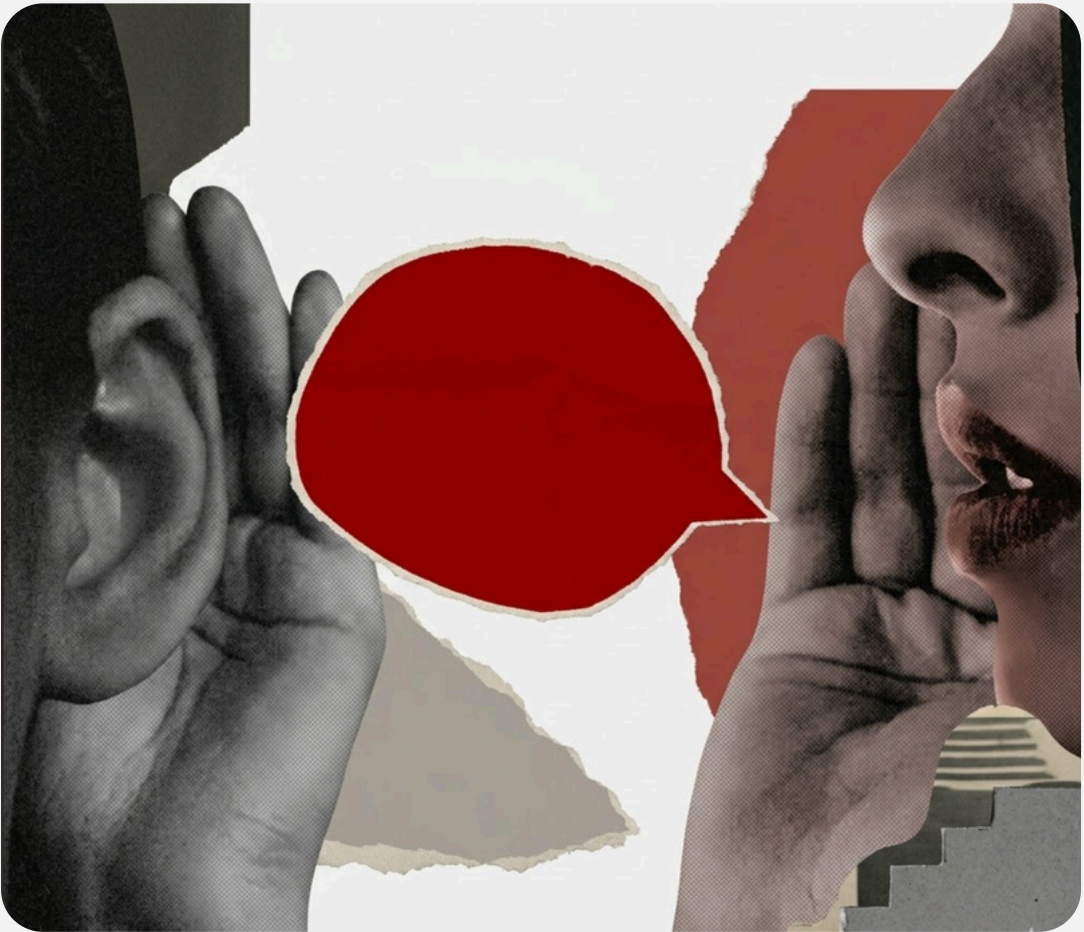

WEB FRICTION

35% of web visitors return frequently yet generate few purchases. A clear conversion opportunity exists.

Retarget browsing without purchase

Champions (19.4%, €1,219)	Channel: Catalog + Email	Message: Exclusivity & curation. No discounts.	KPI: Retention rate
